

SKILL DEVELOPMENT CENTER

Colonel Dinesh Mudri (Retd)

Colonel Dinesh Mudri was a serving officer in the Indian Army. He began his life in uniform, when, at the tender age of ten, he decided to join the Sainik School at Bijapur. After doing his initial schooling, he got selected to join the prestigious National Defence Academy, Kharakwasla. Since passing out from the hallowed precincts of Indian Military Academy, Dehradun, in the year 1987, he had served the uniformed forces with great elan and dedication. Over the next 29 years, he had, as part of his soldiering profession, seen operations in India and abroad. He was part of the IPKF (Indian Peace Keeping Force) in Sri Lanka in his early days and was also a member of Indian Military Training Team in Bhutan. In addition, he has spent six long years of his service in J&K and seen counter insurgency operations from very close quarters! In the Army, he had held a number of prestigious appointments, including command assignments.

To his credit, he has post graduate degree in Defence and Strategic Studies from Madras University and another one in Personnel Management from Pune University. He also holds a postgraduate diploma in logistics and Supply Chain Management. He has earned his spurs in a number of professional and academic courses in his working career. Logistics, procurement and Supply Chain Management are his core competencies. He evinces keen interest in Training & Development, Public relations and administration.

He is a soldier with varied interests and indulgences. He is an outstanding sportsman and has a penchant for music, reading & Writing, travelling and trekking.

SKILL DEVELOPMENT CENTER

KEY SKILLSETS REQUIRED FOR OVERALL DEVELOPMENT

"It makes a man out of a boy, soldier out of that man, Fighter of that soldier, savior of that fighter, and a hero out of that savior!!!"

SPECIALIZED TRAINING PROGRAMS

"Motivation"
There are three kinds of peoples. Where do you belong?

"Time Management"
"We lag behind because we have no sense of "proportion" and "perspective"

"Study and answering techniques"
Hardwork won't take you anywhere. "Shateha yuktih ganyas" : Strategy is superior to strength

Art of communication and the ways to "spice up speaking" of all talents bestowed upon men, the greatest gift of god is that of oratory

"Personality Development"
Each one is a mix of everything. The question is, "what is central and what is peripheral".

"Reading as a habit"
Fast reading techniques and the ways to read, record, retain and reproduce.
